About This Content

Collaboration of "Trouble☆Witches Origin" and "COTTON" Outline

The legendary witch shooter "COTTON", collaboration with "Trouble☆Witches Origin".

Cotton and Silk came to C by some kind of mistakes. They play an active to daughters of Amalugam.

Cotton is adheres to WILLOW as usual. Draupnir is at a loss for her reckless action.

Cotton and Sikk are strongest ever of Trouble Witches, and it may be easy even if a degree of difficulty is high!?

Regardless of ability, support it.

That provides ease and power of use for beginners and power for experts.

■Collaboration Point

- You can use "Cotton" in "Arcade mode" "Story mode" and "Score attack" all modes.
- Cotton and Silk from fairyland "Filament". They are strongest ever of Trouble Witches!
"Gero Gero mode" may also is easy!?
- Changeable to BGM of the first COTTON! Impressed by famous tunes of the FM sound!
 - "The Teatime" after having defeated a boss. Results may rise with bonus score.
- Story is a full voice! Cotton and Silk look for WILLOW in the different world. Enjoy the new adventure of them!

Same same, only buy if really love the game and just want a little more variety of characters and story. The base game is so fun and such a great value, seems odd an extra character would be 60% of the games price seems a bit off, but on sale I feel its totally worth it.
